Dear Parents & Carers

The Middle School Residential is going to take place at St Georges House, Georgeham. St Georges House is a Christian centre that specialise in adventurous outdoor activities. After visiting the venue, we were excited to try a new setting for our students which has unique facilities and exciting opportunities for a new range of activities and it has the benefit of not being too far away. **The dates for this residential experience runs from Wednesday 24th April 2019, for 2 nights, returning on Friday 26th April 2019.**

This year the school is able to make a contribution towards the overall costing of the residential, lowering the cost for all students who attend. As a result, we are able to offer the 2 night/3 days residential to parents for a sum of £120. This payment covers all of the activities, food, transport, accommodation and staffing costs.

Activities will be drawn up from the extensive range on offer at St Georges House and may include: archery, fencing, surfing/bodyboarding, canoeing, kayaking, rock scrambling or climbing amongst others. All of the activities will be delivered by expert staff from the centre and further supported by Lampard Community School staff. Evening entertainment and activities will also be provided each evening, including the final night when there will be a small assembly held by the staff at St Georges house. During this short assembly students will be encouraged to reflect on their visit and this may include a reading from the bible or a short prayer which you can opt to withdraw your child from if you wish to do so.

At this price, we expect demand to be very high for a limited number of places. If you would like to apply for a place we need to ask for a non- refundable deposit of £20, to be paid by **Friday 16th November 2018**. The balance must be paid by **Friday 29th March 2019** at the latest. As we are keeping costs to a minimum, we have to insist payments are made on time, or we will regretfully have to offer the place on to another student. Parents can pay in instalments, all cheques to be made payable to Devon County Council.

Bookings are accepted on the understanding that the families of students are able and willing to collect their child from the centre if, for any reason, they are not coping or are spoiling the experience for others. This very rarely happens but please note that if it is necessary we will not be able to refund any money in this circumstance.

If you have any questions please do not hesitate to contact your child's tutor or Mrs Marquiss.

Yours faithfully

Mrs Marquiss Miss West Ms Allen Mrs Klingenberg Miss Hanson Mr Adams
