

St Georges House Kit List (MS Residential)

The residential trip will soon be here! Here is a checklist of what is recommended by St Georges House and ourselves to safely take part in all elements of the residential.

ALL luggage must be brought into school on **Tuesday 23rd April** so that we can check that all students have everything they need for a fun and safe trip.

- Pillow
- Sleeping bag/duvet
- Pyjamas or appropriate nightwear
- Underwear - 3 pairs so you have spare if needed
- Socks – 3 pairs
- T-shirts/Tops – 3 (these must be appropriate, not too short or see-through with appropriate logos/images)
- Shorts (to wear over a wet suit)
- Footwear – 1 pair comfortable shoes/trainers for travelling and walking. Do NOT bring flip flops or open-toed sandals.
- 1 pair of old trainers for activities
- Extra trainers or beach shoes that can get wet (**NOT flip flops or wellies**)
- Coat - Light waterproof jacket in case of wet weather or wear during water sports activities
- Sun cream/Hat
- Warm clothing (Jumper/Fleece, jogging bottoms-after getting wet during the water sports activities, comfy, loose fitting warm clothes is a good idea instead of leggings or skinny jeans-they are much warmer and easier to get on damp!)
- 500ml water bottle (This is important as you will be very busy and not near a shop)
- Toiletries – Don't forget your toothbrush, toothpaste, soap, shampoo, deodorant and anything else you may need.
- A small rucksack or day bag
- Swimming costume/trunks
- 2 towels (one for wet activities/ beach and one for showering)
- MP3 player or similar (optional but student will be responsible for item, NOT staff and it must not have a camera)
- *Waterproof trousers (if owned)

School policy is not to allow phones or cameras. Should you need to contact your son/daughter whilst we are away please contact school. If anyone does bring a phone or camera it will be confiscated for the duration of the residential.
