Dear parent/carer

In the summer term lower school will be doing swimming as part of the Physical Development curriculum. To give us an idea of ability and confidence in the water I would appreciate if you could complete the follow slip below and return to your child's class tutor. We will carry out a thorough assessment of swimming skills once sessions begin, this is just to give us an initial idea. More information on when the swimming sessions will start will be provided later in the term.

Kind regards

Toni Gillard  
 (Senior lead for Physical Development)

Student name:	Year group:
Is your child able to swim competently, confidently and proficiently over a distance of at least 25 metres?	
Is your child able to use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
Is your child able to perform safe self-rescue in different water-based situations, for example can your child stand up in the water from a floating position or holding onto the side of the pool can they safely put their feet down and stand up.
