Dear Parents and Carers,

Re: Petroc Applications

Following the Year 11 Annual Reviews the online applications for the Preparation for Adulthood course at Petroc are now open. All applications to Petroc need to be made by **March 31st 2020**; the earlier these are done the longer the students have for transition. Year 11 students can now apply for the course they wish to follow in September 2020 when they leave Lampard.

The application can be made online using the following link:

<https://www.petroc.ac.uk/content/courses/preparation-for-adulthood-entry-level-full-time-north-devon>

If you would like a member of the Upper School team to support your child in school with their online applications for Petroc we are able to do this with your consent.

We would like to compile a list of where our students are going when they leave Lampard. I would be grateful if you could complete the form below and return it to school as soon as possible. If you have any concerns or queries, please do not hesitate to contact either myself or your son/daughter's tutor at school.

Yours sincerely,

Tamsin Winter
 Assistant Headteacher for KS4
