Dear Parent/ Carer,

As part of our Upper School Options work your child is taking part in Hair and Beauty training every Thursday afternoon. This term students are learning how to maintain healthy skin and nails. All general professional products, equipment and towels are provided, but some students who use special creams on their skin will need to bring these into school on a Thursday. There will be opportunities for the students to use different products on the skin and have their own nails painted and to paint others.

We would be grateful if you could fill in and return the slip below detailing permission and any allergies or medical needs. Please call Laura at school if you have any concerns or need further information.

Many thanks and best regards,

Laura Aldous  
HLTA

I give permission for .....

To have her nails painted

To use the skin and nail products provided by the Tutor

This student has the following allergies/medical needs: .....

I will / will not be sending in skin and nail products from home.

Signed:..... Date: .....
