Re: Upper School Residential 2020 Exford

Friday 7th February 2020

Dear Parents/ Carers,

We are excited to be able to offer Upper School students the opportunity to participate in a four day, three night residential to YHA Exford from Tuesday 9th June to Friday 12th June. We will be staying at the YHA Hostel in Exford. We are planning a variety of activities which include a day at Butlin's in Minehead, a day trip to the beach, shops and tourist attractions in Minehead, a cinema visit and party night. We hope this opportunity will expand students' horizons and develop their independence, life skills and social skills.

This year the school is able to make a significant contribution, covering the cost of some of the accommodation and food for all students who go. As a result, we are able to offer the whole package to parents for a sum of not more than £200. We anticipate this will be less however will depend on student numbers taking part. This payment covers the cost of all activities, entrance fees, transport and staffing. This year there are enough places for **all Upper School students** to attend if they would like to and as such this will determine the final price of the trip. It would be very helpful if you could return the form as soon as possible to your tutor even if the deposit is sent in later.

If you would like to apply for a place we need to ask for a non-refundable deposit of £30 to be paid by Friday 28th February 2020. You may pay in instalments, we will provide an instalment booklet to all attendees. However, the full amount will need to be paid by Friday 1st May 2020 at the latest.

Students who do not attend the residential will take part in an Activity Week based in school and the local area.

Bookings are accepted on the understanding families of students are able and willing to collect them from the centre if for any reason they are not coping and this is having a negative impact on the experience of others.

We would love to be able to take all of Upper School on this trip and hope your child can participate in this great opportunity. If you have any queries please do not hesitate to contact us.
