Dear Parent/Carers

RE: Advice for those who have travelled recently

There is a lot of information about the Coronavirus, being circulated in the news and through social media. I wanted to reassure you that as a school, we are continuing to follow the most up-to-date advice from the Department for Public Health. We will be sent alerts when this guidance is updated and we will respond accordingly. We will continue to update our website with any new updates or guidance.

The Department for Public Health England have updated their guidance for travellers who have recently returned from specific areas from across the world in light of the recent outbreak of Coronavirus and ask you check this information if you have travelled abroad recently.

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

Meanwhile, in school we continue to follow hygienic routines to reduce the spread of any germs and every classroom has a box of tissues and hand gel (alcohol free) to assist with hygienic routines.

Yours faithfully

Sam Barham
 Headteacher
