Dear Parents and Carers,

We are happy to be fully open during 'Lockdown 2'.

Please keep your child at home if:

- They have COVID-19 symptoms
- They have a high temperature
- They are coughing a lot
- They lose their sense of taste or smell

You will need to collect your child from school if we call to say they are ill.

If anyone in your house gets symptoms, please book a test and stay at home for 14 days.

If anyone at school has a positive test, we will inform families if their child needs to stay at home.

You do not need to keep your child at home if one of their siblings is isolating if they themselves do not have any symptoms.

Your child should stay at home if the doctor has written to you saying they are Clinically Extremely Vulnerable.

If your child has to stay at home due to COVID-19 we will educate them remotely by sending packs home.

We are looking forward to our Project Week and our Christmas activities. We are sorry that you cannot come in to school and join in with us at this time.

Would your child like to design a Christmas card - there is paper attached, the theme is 'Kindness'. Please send it back by 27th November.

You can join the Friends of Lampard (FoL) for a virtual meeting on Wednesday 25th at 9.30am - call the office if you want to join.

Keep checking our website for updates.

Kindest regards

Sam Barham
Headteacher
