

Coming Back to School

Welcome back to school

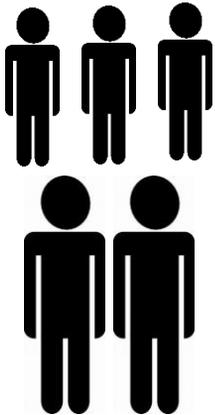

Learning has looked a bit different since Christmas, for some students they have been working at home on learning packs sent home by tutors.

On 8th March all students will be coming back to school full time.

All the staff are really looking forward to having classes back together again.

Who will be in my class?

We will still be calling our phase (lower, middle or upper school) our “bubble”.

Everybody will return to their normal class with their usual staff and students.

Rooms

Students will spend most of the time in their classroom and the playground.

Some rooms will not be available.

Moving around school

There will be a one way system in school, so that people do not get too close to each other in the corridors.

What will the classrooms look like?

The classrooms will look the same as they did before Christmas with the tables facing forward.

What will I be doing in school?

Students be doing normal lessons on the usual timetable;

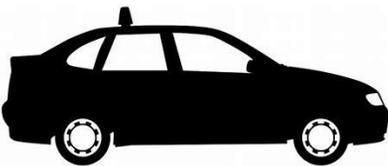

What do I need to wear?

Students should wear normal school uniform to school, except on their PE day when they should wear Lampard PE kit to school and will continue to wear it all day until they return home.

Travelling to School

School transport is running as normal. Drivers will still be wearing face coverings. Students will be dropped off and collected from the bottom car park the same as last term.

Students walking to school will still enter the one-way system from the top gate by reception and join the queuing system which was put in place last term.

To keep each other safe in school we remember to:-

Wash our hands for 20 seconds when we:-

- Come into school
 - Go to the toilet
 - Come in from the playground
 - Eat our lunch
 - Go home
-

Remember to socially distance as much as possible.

Use a tissue if we cough or sneeze.
