

<p>Jennie Harvey (Head)</p> 	<p>Staff</p>	<p>I was delighted to be appointed as interim Head Teacher in September 2022. I joined the school in 2017, initially as a tutor and then as Assistant Head Teacher for Teaching and Learning, and latterly as Deputy Head Teacher.</p> <p>My teaching career has taken me far and wide; having career changed and trained in North Devon on the SCITT programme, I then worked in several Primary schools in the area and also taught for a year in Tanzania and for five years on a RAF base in Cyprus.</p> <p>I have always held the teaching of students with SEND at the heart of my career. I also have many years of leadership and management experience outside of the education sector (having previously worked in the publishing industry) and I will bring all these skills together to ensure Lampard Community School remains the centre of excellence it has become.</p>
<p>Lorraine Ovey</p> 	<p>Staff</p>	<p>I joined Lampard as a Middle School class teacher in September 2019, having previously worked in mainstream primary schools in Northamptonshire and North Devon. I really care about education and providing high quality learning experiences for our students. I recently became a Middle Leader and maths subject lead. I really enjoy being a Governor and contributing to the bigger picture of school life.</p>

 <p>Andrew Redpath</p>	Associate	<p>I joined the governing body in April 2016 after a varied career in education. I taught in secondary and special schools, and was a headteacher in a special school before becoming a school inspector (HMI).</p> <p>I retired in 2015 but undertakes occasional school improvement work.</p>
<p>Amanda Burrows</p> 	Foundation	<p>Having had a long career in education, I am extremely proud to be part of the Governing Body at The Lampard School. I have been in many different roles since 1999 when I first qualified: a teacher, SENCo, deputy headteacher, headteacher and in two local authorities as an Inclusion Adviser, SEND Adviser and School Effectiveness Adviser. I really value the role that governors bring and have been part of four governing bodies in the past. I am currently leading as Head of Therapeutic Education across four alternative provision sites for a thriving Devon charity.</p> <p>I want to get to know The Lampard School and its community and learn how best to support it going forward. I hope that my skill-set will complement what is already a successful board and make a strong contribution to the developments in school</p>

<p>Peter How (Vice-Chair)</p> 	<p>LEA</p>	<p>Hi, My name is Peter How and I've been a School Governor since October 2011. I enjoy the role of being a Governor, it's very different to my day job in the Construction Industry. I hope I bring some experience that I've gained of running a business in the Private Sector to the School Governing Body.</p> <p>I particularly enjoy my visits to school, it's always a pleasure to meet the staff and pupils. I'm always impressed with the pupils' politeness, confidence, enthusiasm and keenness for learning! I am a keen sportsman with particular interest in golf, cricket and rugby. I look forward to continuing with the role of being a School Governor at Lampard and seeing the School improve on its already high standards.</p>
<p>Christine Bevan (Chair)</p> 	<p>Co-opted</p>	<p>I was co-opted onto the Governing Body in April 2019 and elected as Vice Chair at the beginning of the autumn term. I have worked as a Chartered human resource practitioner for organisations in the public and private sector and was a Company Director for a human resource consultancy for 11 years. I am also a qualified teacher and taught management and leadership before moving on to manage higher education provision within the further education sector.</p> <p>Subsequently I worked for the Quality Assurance Agency for Higher Education where I led reviews and reported on academic standards, in addition to the quality of teaching and learning within universities, colleges and private providers. I have been impressed by the positive learning environment within the School; the enthusiasm and attitude of pupils and the commitment of staff in enabling pupils to realise their potential. I hope that I can use my skills to build upon the positive work and performance of the School over recent years; in what has been and continues to be a very challenging external environment.</p>

Previously I have worked to provide support for homeless and vulnerable adults at the Freedom Day Centre.</p> <p>Good integration and excellent provision for SEN students alongside extending community links are the reasons I've been drawn to serve as a Lampard School Governor.
