I hope I bring some experience that I've gained of running a business in the Private Sector to the School Governing Body.</p> <p>I particularly enjoy my visits to school, it's always a pleasure to meet the staff and pupils. I'm always impressed with the pupils' politeness, confidence, enthusiasm and keenness for learning! I am a keen sportsman with particular interest in golf, cricket and rugby. I have been impressed by the positive learning environment within the School; the enthusiasm and attitude of pupils and the commitment of staff in enabling pupils to realise their potential. I hope that I can use my skills to build upon the positive work and performance of the School over recent years; in what has been and continues to be a very challenging external environment.</p>
