4 May 2022

Dear Parents and Carers,

### **RE: Year 11 information**

Please find attached the curriculum overview for the Summer Term. It is hard to believe this will be the last term at school for our Year 11 students. Please find below some further information about this term.

### **Leavers' Celebrations**

The set date for Year 11s to **leave** school is **Friday 24<sup>th</sup> June 2022**. There will be a leavers assembly on this morning that you will be invited to. We will be talking to all the Year 11s about how they would like to celebrate the end of their time here and we will let you know the outcome of this when we have more details.

### **Exams**

**Functional Skills (English, Maths and ICT) Exams** –students will be taking these assessments this term between **Monday May 9<sup>th</sup> and Friday May 27<sup>th</sup>**. I wanted to assure you, as always, we will make these assessments as calm a time as possible for the students. Students will go to their PE, and Options lessons as usual during this time.

### **Upper School Activities Week**

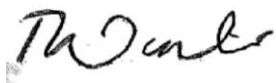

A letter will be sent out about the Upper School Activities week which is planned for the week beginning 13<sup>th</sup> June 2022. This will be an opportunity for students to access the community and further develop their independence and social skills.

### **Transition to Post 16**

We will continue to work together to support the students through their transition to post-16 and keep you updated of any visits/ taster sessions. We will, of course, be looking at ways to support students who will be attending other Post-16 provisions and will be in touch about this.

We will keep you posted with any further information as and when it arrives. If you have any further questions please contact your child's tutor or myself.

Kind regards,
