Dear Parents & Carers

As of September 2022 the cost of our school meals will be as follows:

Years 3-6 - £2.30 per meal

Years 7-11 - £2.60 per meal

This is the first increase we have made to school meals for over eight years, we have taken this decision due to the increase in costs from our suppliers.

Payments can be made by cash or cheque (payable to Devon County Council) or via ParentPay.

If you require login details for ParentPay, please email admin@lampard.devon.sch.uk and we can send them to you. (Please note this is just for new login details – if you have logged in and changed the password of previously supplied details, we are unable to change these and ask you to contact ParentPay directly).

ParentPay gives you the option to link any other accounts you have for children at another school and can be used to make payment for trip and school events.

We do encourage meals to be paid for in advance, and will send out debt reminders weekly. If the debt goes over a week's meals and you have not contacted the school office we will then look at implementing the Dinners Arrears Policy which can be found on our school website.

If you think your child may be entitled to Free School Meals, we encourage you to apply;

<https://www.devon.gov.uk/supportforschools/services-and-contacts/free-school-meals>

Menus can be found on the school website and if you require a printed copy please ask your child's teacher via their home school book.

Kind regards,

Finance Department
