Dear Parents and Carers,

Re: Petroc College Applications

Following the Year 11 Annual Reviews I am writing to inform you the online applications for Petroc College are open. Applications to Post 16 destinations need to be made by **March 31st 2023**; the earlier these are completed the longer the students have for transition. For the students going to other colleges, I will contact you directly with application information.

If you would like a member of the Upper School team to support you or your child with their online applications for Petroc please let us know. If you would like us to make the application on your behalf we are able to do this with your consent.

As discussed at the annual reviews **you are able to make applications to more than one course or college, also you do not have to take a place even if you had made an application.**

The link to the Preparation for Adulthood Course at Petroc is below, if you require any further links please let us know. We also have a guide available to completing the applications if you would prefer to do it yourself.

I would be grateful if you could complete the form below and return it to school as soon as possible. If you have any concerns or queries, please contact either myself or your son/daughter's tutor. Please be reassured the Upper School Team continue to work hard to ensure your child has the best possible transition to their post-16 destination.

Kind regards,

Tamsin Winter
Deputy Head Teacher (Interim)
