Name of EVC: Laura Dalle-Mulle
- 3.2 The EVC is responsible for carrying out the following agreed tasks and attending the relevant training and update training provided by the Local Authority (LA).

5.1 Members of staff, volunteers and parent helpers should:

- Assist the Visit Leader to ensure the health, safety and welfare of others including young people on the visit
- Take time to understand their roles and responsibilities whilst taking part in a visit or activity.

6. Responsibilities of Pupils

6.1 Whilst taking part in off-site activities pupils also have responsibilities about which they should be made aware by the Visit Leader or other members of staff, for their own health and safety and that of the group. Young people should:

- Avoid unnecessary risks
- Follow instructions of the party leader and other members of staff
- Behave sensibly, keeping to any agreed code of conduct
- Inform a member of staff of safety concerns

7. Responsibilities of Parents

7.1 Parents have an important role in deciding whether any visit or off-site activity is suitable for their child. Subject to their agreement to the activity parents should:

- support the application of any agreed code of conduct
- inform the party leader about any medical, psychological or physical condition relevant to the visit
- provide an emergency contact number
- Provide consent in accordance with the requirements of OEVOSA

8. Risk Assessment

8.1 The school is committed to a wide variety of outdoor activities, many of which will be repeated over each academic year where the risks will be very similar or the same. Therefore, when visits are 'routine and regular' in that they occur repeatedly each academic year, the measures taken to control these risks are listed in the school specific Standard Operating Procedures (SOP) documents.

8.2 These are the control measures that will apply to all such visits and off-site activities and have been drawn up by the Headteacher and EVC and will be brought to the attention of anyone undertaking the role of Visit Leader.

8.3 In assessing the risks presented by a planned visit or activity, the Visit Leader must judge if the SOP are adequate for controlling the risks. For each visit/activity, the SOP document will be generated electronically and the Visit Leader will *either* confirm these as adequate for the proposed visit/activity *or* the additional control measures needed will be listed in the enhanced risk assessment column.

8.4 Any ad hoc visit which is not repeated regularly, plus any activities delivered by school staff falling within the definition of Category B (adventurous), will have a separate stand-alone risk assessment; Adventurous Activities Led by School Staff Risk Assessment.

8.5 This process will be undertaken by the Visit Leader who, whilst being supported by the EVC, will be competent and equipped to complete this task. To meet statutory requirements and to ensure sufficient communication with other staff involved, this risk assessment will be recorded using the risk assessment format on Evolve.

- Category A:*
Non-adventurous visits i.e. visits to local places of worship, farms, public places etc

Adventurous residential visits to outdoor centres
- Category C:*

- 9.3 In-line with the requirements of OEVOSA, details of Category B and C visits will be uploaded to the Evolve on-line system to facilitate the approval by the Headteacher ahead of final endorsement by the Local Authority Adviser for Outdoor Education.
- 9.4 The policy of Lampard Community School is that Category A visits will be uploaded to the Evolve system to allow Governors, the Headteacher and the EVC to monitor the management of off-site visits.

10. Safeguarding

- 10.1 The safety and welfare of children is paramount. In the event of a safeguarding issue or concern being identified during the trip or visit, the visit leader should follow the school's child protection/safeguarding policy and procedures. All staff and volunteers on the trip should be made aware of these before the trip or activity takes place.
- 10.2 Arrangements should be in place to enable contact with the school's Designated Safeguarding Officer outside normal school hours if necessary. Contact details should be communicated to all staff/volunteers on the trip (as well as the visit leader) in case the safeguarding concern is about the visit leader.

11. The Provision of Training and Information

- 11.1 A copy of this policy, along with the overall OEVOSA document, will be made available to all staff within the school who may be responsible for participating in off-site visits and activities and to any parent requesting a copy. Access will also be made available to the overarching OEVOSA policy, and additional guidance information via the Evolve system.
- 11.2 The Headteacher will ensure that staff leading or participating in visits are competent for the activities involved. When required, specific training will be undertaken, and competencies maintained in accordance with the requirements of OEVOSA. - 12.3 Any accidents and incidents that occur during off-site visits and activities will be reported and recorded in accordance with the school health and safety policy. Accidents and incidents will subsequently be reviewed within the school to identify any learning points.

13. Annual Consent

- 13.1 The school will seek parental consent for local trips on admission using the SOE3a form. This will then be re-done annually in September for all students.

14. Monitoring and Review

- 14.1 The Governing Body will monitor the application of this policy in operational practice by spot checking SOP's for visits and monitoring Evolve once a term.
