

We are excited to launch Speak Up *The Mix* at the Landmark Theatre in North Devon.

As part of the National Theatre's [Speak Up](#) programme, we have been working with four local secondary schools in North Devon; Lampard Community School, Braunton Academy, Pilton College and Bideford College in partnership with Landmark Theatres.

Speak Up *The Mix* is a **free** weeklong holiday project for young people engaging with Speak Up.

*The Mix* will bring together young people in North Devon to explore and co-create a collaborative piece of artwork and performance in an intensive week. The group will get to work with a range of artists from visual art, theatre, graffiti, movement and performance parkour. Together they will devise a piece around issues that matter most to them in a sharing at The Landmark Theatre.
