8th March 2024

Dear Parents/Carers,

Next year your child will be in Upper School and students are able to choose some of the subjects they would like to study; these are optional subjects, called **Options**.

I am writing to invite you to attend an event on **Tuesday 19th March 2024** to explain the Upper School curriculum and the **Options** system for September 2024.

We would like to invite Parents/Carers to attend the event in the school hall from 4:30 pm-5:15pm, you will be able to look around the stalls and have a presentation from the Upper School Team (4:45pm).

Students will attend an event during the day where they will be able to look around the option stalls, talk to staff and students about the various options. Students will have a presentation about options before this event.

Students will be given a booklet, which includes the student option choice sheet. **This should be completed and returned to school no later than Tuesday 26th March 2024.**

Staff will be available at the event to help you complete the sheet, should that be required.

This is a very important point in your daughter/son's school career, so we hope you will be able to attend. However, if you are not able to attend, all information will be available on our website and Upper School staff will be able to answer questions via the telephone or TEAMS.

Please complete the form overleaf, to indicate whether you can join us, and return it to school by **Tuesday 12th March.**

Yours sincerely,

Tamsin Winter
Deputy Head Teacher
