## Pupil Premium Plan 2025-2028

### Part A: Pupil premium strategy plan

#### Statement of intent

*All students at Lampard Community School all students have an Education, Health and Care Plan (EHCP) for complex needs and difficulties with communication and interaction including speech, language and communication/and or autism.*

*We have high expectations for all students in our school, and believe that with high quality teaching, effective engagement with parents and a personalised approach to meet children's individual needs, every child can fulfil their individual potential. In order to do this, we engage in a range of strategies to issue challenge at an appropriate level and provide support to overcome barriers to learning. We provide rich and varied opportunities within our EMPOWER curriculum, which makes a significant contribution to students' outcomes so that children are engaged and motivated to achieve well both now and in the future.*

*Key interventions and approaches are adopted on a whole school level and are not only restricted to students eligible for the Pupil Premium. Some specific interventions and school initiatives are made possible by allocating the Pupil Premium and/or Recovery Premium funding. Our strategies target the individualised needs of our students in receipt of Pupil Premium, with the main aim being that these children do as well as their peers with similar starting points, who not eligible for the Pupil Premium.*

*School leaders at Lampard Community School are committed to ensuring that all disadvantaged students receive teaching which is at least good in every lesson and that disadvantaged children making less progress than their peers with similar starting points, receive frequent intervention and daily support.*

*Funding is allocated within the school budget by financial year. The budget enables us to plan our intervention and support programme year on year, based on the needs of the current cohort of children in receipt of Pupil Premium funding. When making decisions about allocating our Pupil Premium Funding, we have analysed our internal data thoroughly and have made use of a range of research, including that provided by the [Education Endowment Foundation](#) and the [Council for Learning Outside the Classroom](#). Expenditure is reviewed, planned and implemented by academic year as shown within this strategy plan.*

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged students.

Challenge number	Detail of challenge
1	<p><b>Cognition:</b></p> <p>PP children have knowledge gaps within English and Maths. Many find it difficult to retain/recall prior knowledge due to cognitive delays and disorders or working memory difficulties and processing.</p>
2	<p><b>Language and Communication:</b></p> <p>Students have poor receptive and expressive language skills. They have speech and language difficulties and many also have a lack of exposure to a wider range of vocabulary. This understanding of language can make them more vulnerable when online.</p>
3	<p><b>Limited life experiences:</b></p> <p>Students have limited life experiences beyond their home and immediate community. This is sometimes due to their sensory and/or physical needs which impact on their behaviour, understanding and in accessing learning environments. Students may also have limited access to books, libraries and technology.</p>
4	<p><b>Low emotional wellbeing:</b></p> <p>Some students in receipt of PP funding have social and emotional difficulties which impact on their ability to interact with other students and to engage in social situations. They require support in understanding and managing their own feelings and emotions inside and outside the classroom and this can lead to low levels of emotional wellbeing.</p>
5	<p><b>Lower attendance:</b></p> <p>Some PP students show low attendance and higher rates of persistent absenteeism.</p>

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<ul style="list-style-type: none"> <li>Disadvantaged pupils make at least expected progress from their individual starting points in all areas of curriculum and especially in Phonics, Reading, Writing and Maths.</li> <li>The gap is narrowed in the progress and attainment of PP and non-PP children.</li> </ul>	<ul style="list-style-type: none"> <li>Those students making less than expected progress are supported and tracked closely to ensure they make better progress and recover lost learning.</li> <li>Children who need to make accelerated progress, receive targeted high-quality intervention which is monitored by school leaders.</li> <li>Students have regular opportunities to rehearse, practice and consolidate key skills in phonics, reading, writing and maths.</li> <li>Support staff and class teachers support learning effectively using Assessment for Learning strategies to identify and address learning gaps and misconceptions.</li> <li>Additional intervention sessions take place based on gaps in learning and with reference to previous attainment data.</li> </ul>
<ul style="list-style-type: none"> <li>The language deficit for students in receipt of pupil premium funding is diminished.</li> <li>Students are fully supported in school by a Total Communication approach.</li> <li>Students develop skills in critical thinking and are safer online.</li> <li>A reading culture that ensures all pupils read regularly and develop a love of books is embedded throughout the school community.</li> </ul>	<ul style="list-style-type: none"> <li>All students are assessed to ascertain their Blank Language Level.</li> <li>All students are exposed to tier 1, tier 2 and tier 3 vocabulary throughout the curriculum and supported to understand meaning.</li> <li>All students receive ongoing, targeted speech and language support from a qualified therapist to develop critical thinking skills and language development.</li> <li>Learning resources are appropriately differentiated and teaching and learning is supported by a Total Communication approach across the school.</li> <li>Computing and PSHE curricula support online safety objectives linked to students' levels of understanding.</li> </ul>

## Pupil Premium Plan 2025-2028

	<ul style="list-style-type: none"> <li>• National Online Safety resources are used effectively by students and their families.</li> <li>• All staff are trained in supporting language needs.</li> <li>• Students read regularly at school and at home. They have access to high quality books for individual and guided reading.</li> <li>• Consistent implementation of excellent practice and high expectations across the school for phonics and reading.</li> <li>• Increased % of PP pupils are making expected or better progress across the school in phonics and reading.</li> </ul>
<ul style="list-style-type: none"> <li>• <i>All students are exposed to a breadth of experiences that enable them to contextualise their learning.</i></li> <li>• <i>Students love learning and have full access to our engaging, broad and balanced EMPOWER curriculum.</i></li> <li>• <i>All children access appropriate Future Fridays activities linked to the Preparation for Adulthood framework.</i></li> <li>• <i>All children have access to appropriate technology to support their learning.</i></li> </ul>	<ul style="list-style-type: none"> <li>• The EMPOWER curriculum provides students with an exciting, varied curriculum which meets their needs.</li> <li>• Teachers and support staff will plan a wide range of curriculum visits, WoW events (including visitors) and Learning Outside the Classroom experiences to inspire and enhance learning and make it memorable and functional.</li> <li>• Children will be exposed to a wide range of social, cultural, enrichment and sporting experiences within and outside of the school day.</li> <li>• All children have access to Numbots, Discovery Education and other appropriate learning platforms at home and in school.</li> <li>• Students are provided with the technology they need to support access to the curriculum.</li> <li>• Children are given regular opportunities to change their reading and/or school library book.</li> </ul>
<ul style="list-style-type: none"> <li>• <i>All students will work towards the three drivers in our EMPOWER curriculum and develop good levels of skill in their communication, independence and emotional wellbeing.</i></li> </ul>	<ul style="list-style-type: none"> <li>• Children know and understand the meaning of the drivers in our EMPOWER curriculum. Staff teach and model the skills of communication, independence and emotional wellbeing.</li> <li>• Children demonstrate these skills throughout the school day and in their lives outside of school.</li> </ul>

## Pupil Premium Plan 2025-2028

	<ul style="list-style-type: none"> <li>• Support staff are using the Maximising the Impact of Teaching Assistants (M.I.T.A.) model effectively to challenge and guide children without creating an over reliance on adult support.</li> <li>• Opportunities for Learning Outside the Classroom within the Preparation for Adulthood framework, including Future Fridays, are used effectively to develop key skills.</li> <li>• Mental Health champions in school are used effectively to support the emotional wellbeing of all.</li> <li>• THRIVE programme is in place across the school and students are supported with strategies to help them self-regulate.</li> </ul>
<ul style="list-style-type: none"> <li>• <i>All disadvantaged pupils will meet national expectations for attendance and persistent absence.</i></li> </ul>	<ul style="list-style-type: none"> <li>• Disadvantaged pupils will match or exceed national averages for non-disadvantaged pupils</li> <li>• Monitoring of attendance and implementation of a wide range of strategies brings about an increase in PP students' attendance and a decrease in persistent absence.</li> </ul>
