22.02.21

Dear Parents and Carers,

We are expecting the Prime Minister to announce his roadmap for the opening of schools this evening at 7pm. I will write to you again later in the week once guidance has been made available and we have put together a plan for Lampard. Thank you for your patience whilst we work on this.

### Lampard's Proposed Development

As explained in my previous letter, the Local Authority are formally consulting on an incremental increase in numbers for Lampard to 180 students by 2023/2024.

We have been working closely with Devon County Council and NPS on development proposals for new and remodelled accommodation to enable the planned expansion of numbers. The proposed works include a new 2-storey building linked to the existing building as well as remodelling/upgrading to several areas of the existing school, providing more appropriate teaching spaces and other facilities needed for medical/hygiene and staffing purposes. The planning consultation for this is live and closes on Friday 26<sup>th</sup> February 2021. To look at the exciting design brief please go to: [Lampard's Proposed Development - The Lampard Community School](#)

Through these proposals, we have ensured enough classrooms to keep our class sizes in line with current averages at the school and to build in an increase of PE and food specialist spaces. This is an exciting opportunity for the school to improve its facilities for all students. You may feedback your views to the proposals by completing the feedback form and emailing back to [admin@lampard.devon.sch.uk](mailto:admin@lampard.devon.sch.uk) by Friday 26<sup>th</sup> February 2021.

Kindest regards

Sam Barham  
Headteacher
