1st April 2021

Dear Parents and Carers

We want to make you aware of free Easter holiday activity and meal schemes for children aged 0-18. Devon County Council is working with local providers to coordinate a programme of free activities and healthy meals for the Easter holidays for children and young people.

The aim of the scheme is to support children to eat more healthily, be more active over the school holidays and have a greater knowledge of health and nutrition as well as being more engaged with school and other local services.

Who can access the scheme?

The scheme is available to all children aged 0 to 18 years old who:

- receive benefits related Free School Meals
- have Special Educational Needs and Disabilities
- have an Education, Health and Care Plan
- have an Early Help Plan
- is a Child in Need
- is a looked after child
- is excluded from education
- is a young carer
- is living on low income due to the COVID-19 pandemic (but isn't in receipt of benefits)
- has a member of their family with mental ill health.

Activities can be booked directly with a provider via the website link below:

<https://www.devon.gov.uk/educationandfamilies/document/free-easter-holiday-activities-and-meals-for-children>

We also want to update you about Test and Tracing across the Easter holidays. To support the NHS Test and Trace process, could parents and carers inform the school either by phone 01271 345416 or email admin@lampard.devon.sch.uk if your child has either symptoms or a positive home LFD test within **2 days** of them being at school. If your child was at school on the 1st April the 2 days will be until 3.15pm on the 3rd April 2021. If we receive a positive test, we will contact these families who will need to self-isolate.

Could all students who have consented to lateral flow testing continue testing test twice a week during the Easter holidays. Report results [online](#) as positive, negative or void, and test before returning to school, either the night before, or morning of 19th April 2021. Families and households can also access [home test kits for adults](#).

We wish you a Happy Easter holiday
