

28th April 2021.

Dear Parent/Guardian,

Your year 8 or year 9 child is now due the HPV (Human Papilloma Virus) vaccine, this will be delivered on Friday 28th May 2021 by the Virgin Care School Aged Immunisation Team of Nurse's at your child's school.

For any year 10 students that have already consented but have yet to receive their vaccine due to lockdown, we already have your consent and we will be catching up with you at our school session.

For more information and to enable your child to receive this important vaccine it is ESSENTIAL that you complete the online consent following the link below. If your child is in year 9 and you have already completed our electronic consent, you do not need to do this again. Please be aware that the HPV consent link will close 7 days before your Schools Vaccination day (Friday 21st May 2021).

If you do NOT want you child to receive the vaccine then please also complete a form stating that you do not want them to receive the vaccine, this means we will not chase further.
